

FlexPro

The Clear Choice for Paint Protection

- Improved, ultra-premium, self-healing topcoat
- Unmatched flexibility reduces cracking of topcoat during application
- More forgiving adhesive for easier installation
- Gloss finish
- Excellent optical clarity
- Stain resistance
- Hydrophobic topcoat
- Non-yellowing
- Protective cap sheet to prevent damage during transit
- Manufacturer's Warranty

Protekt FlexPro PPF from Madico offers an improved ultra-premium, self-healing topcoat, more forgiving adhesive, and unmatched flexibility for easy installation on cars, trucks, motorcycles, ATVs, RVs, utility vehicles and marine vessels.

Provide your customers with a premium PPF option that outperforms the competition. Swirls and scratches disappear with our new, innovative self-healing topcoat

Protect vulnerable areas from common road debris such as stones, gravel, sand and winter salt. Protekt FlexPro offers stain resistance to tree sap, bugs, oil and tar, bird droppings and more with a gloss finish and easy cleaning.

Protekt PPF can easily be cut with Madico's MACS plotter system to provide a tailored fit on any vehicle surface.

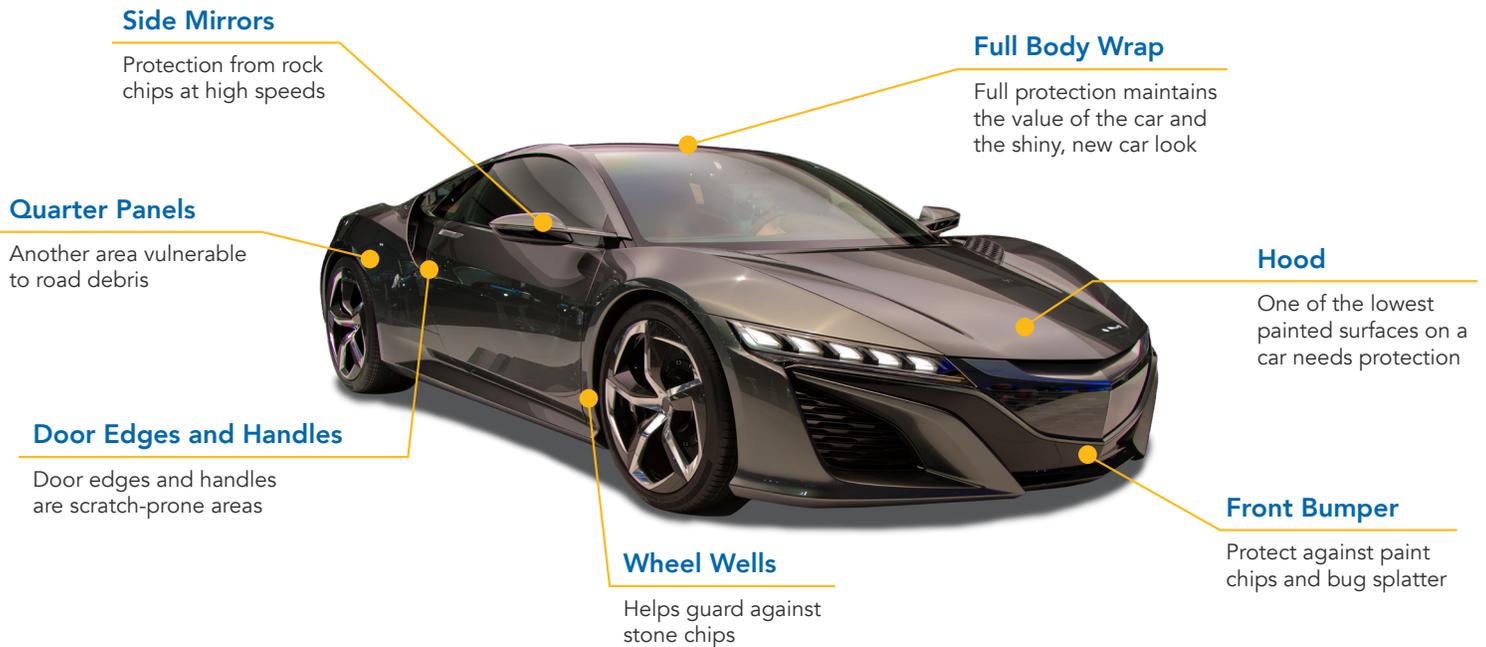

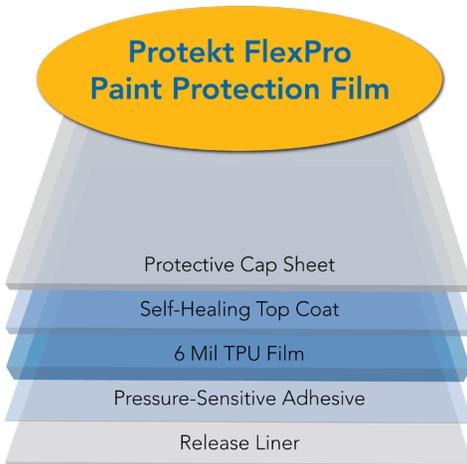

Ask us about our total vehicle protection solution - Protekt[®] paint protection, ClearPlex windshield protection film, and our wide array of window film product options.

Contact us to learn how Protekt FlexPro Paint Protection film can be a profitable addition to your business.

Specification Use Statement
Reported values are typical properties and should not be used as a specification. Since the user is aware of the specific conditions in which the product is to be used, it is the user's responsibility to determine whether the product is suitable for intended use. If you need verification regarding specific use or additional information, please contact Madico or your local Madico Authorized Dealer.

The Clear Choice for Paint Protection

- Ultra-premium, high gloss finish delivered in an innovative topcoat construction
- Unmatched stain resistance
- Excellent optical clarity and color
- High-tack adhesive ideal for wrapping edges and curved surfaces
- Unrivaled hydrophobic topcoat
- Non-yellowing
- Self-healing topcoat
- Protective cap sheet to prevent damage during transit
- Manufacturer's Warranty

Protekt HD PPF from Madico combines improved stain resistance with a high-gloss finish, excellent clarity and color and a more aggressive adhesive making it ideal for wrapping edges. Protekt HD can be trusted to perform in all conditions and is ideal for cars, trucks, motorcycles, ATVs, RVs, utility vehicles and marine vessels.

As an installer, you can be confident the high-tack adhesive will mitigate edge lifting when wrapping and installing on dynamically curved surfaces.

Protect vulnerable areas from common road debris such as stones, gravel, sand and winter salt. Protekt HD offers stain resistance to tree sap, bugs, oil and tar, bird droppings and more with a high gloss finish and easy cleaning.

Choose Protekt HD to provide your customers with a PPF that is unrivaled with it comes to gloss, stain resistance and edge seal.

Protekt PPF can easily be cut with Madico's MACS plotter system to provide a tailored fit on any vehicle surface.

PROTEKT® PPF
BY MADICO

Paint Protection for the
Real World.

MADICO®

The Clear Choice for Paint Protection

MADICO®

The Clear Choice for Paint Protection

Protection from road debris just got easier.

Road debris such as stones, gravel, sand, winter salt, and other flying objects can be damaging to your vehicle's paint finish. Stains occurring from bird droppings, tar, tree sap and oils can make your paint look worn and unsightly. Fortunately, there's an easy, long-lasting solution to protecting your vehicle and maintaining its new-vehicle look.

Protekt® PPF by Madico® is an optically clear paint protection film with an industry-leading top coat that eliminates scratches over time, making it virtually self-healing. Protekt is also resistant to stains and discoloration from many common substances.

For even more protection, Protekt PPF film is backed by a manufacturer's warranty.

Full range of vehicle surfaces:

- Hood
- Bumpers
- Fenders
- Side view mirrors
- Grills
- Rocker panels
- Rear quarter panels
- Truck bed rails
- Door frame edges and thresholds
- Wiper blade landing areas
- Door handles and locks
- Roof areas
- Under utility racks
- Around wheel wells

Versatile Installation on:

- Cars & Trucks
- RVs
- ATVs
- Jet skis
- Boats
- Motorcycles
- High-performance vehicles
- Tractors
- Utility vehicles
