

## The Clear Choice for Paint Protection

- Improved, ultra-premium self-healing topcoat
- Best-in-class flex and stretch for easier installation
- Forgiving adhesive helps with repositioning
- Gloss finish
- Excellent optical clarity
- Stain resistance
- Hydrophobic topcoat
- UV-stable, protects against yellowing
- Protective cap sheet to prevent damage during transit
- Manufacturer's warranty

Protekt FlexPro PPF by Madico offers an improved, ultra-premium self-healing topcoat, more forgiving adhesive, and best-in-class stretch and flexibility for easy installation on cars, trucks, motorcycles, ATVs, RVs, utility vehicles and marine vessels.

The excellent stretch and flex keeps the topcoat intact while the forgiving adhesive allows for easier repositioning.

Provide your customers with a premium PPF option that outperforms the competition. Swirls and scratches disappear with our new, innovative self-healing topcoat.

Protect vulnerable areas from common road debris such as stones, gravel, sand and winter salt. Protekt FlexPro offers stain resistance to tree sap, bugs, oil and tar, bird droppings and more with a gloss finish and easy cleaning.

*Protekt PPF can easily be cut with Madico's MACS plotter system to provide a tailored fit on any vehicle surface.*
